## STEVE BIKO

### PRECINCT

#### OUR VISION

Qhama Social Housing is committed to the development of the tenants, including life orientation, social development and skills development. This commitment is premised on the belief that by investing in community development, the company will be able to demonstrate a sense of caring, and build a sense of community and togetherness amongst the tenants. However, for the strategy to work, it is critical that all the role players commit to the strategy by taking an active role to its implementation
